Super Brasil Company s.a.l. was established in Lebanon in 1970. Since its creation, it has grown to become one of Lebanon's leading coffee manufacturers with distribution hubs across the country.

Today, we have a large team specialized in manufacturing, distribution and marketing of a full range of coffee products, machines and related accessories, catering to all trade channels.

The Café Super Brasil story is one of passion, quality and flavor. Its reputation over the years has been built and established on its knowledgeable selection and blending of carefully selected coffee beans.

Those blends are then roasted by our specialists to provide you with the recognizable intense flavor, voluptuous body, and distinctly rich aroma you have come to enjoy.
