CCIABML MEMBERS INITIATIVE

Pharmaline is a leading company specializing in the field of pharmaceuticals founded in 1987. We have a strong focus on the development and manufacturing of a diverse range of branded generics, which are meticulously crafted in our own state-of-the-art R&D laboratory and manufacturing facilities.

We maintain the highest quality standards by strictly adhering to the cGMP (current Good Manufacturing Practices) guidelines and ISO 14001 and 45001 for our Environmental Quality system as well as health and safety management.

Pharmaline has successfully achieved the EU Good Manufacturing Practice (GMP) certification.

We are currently ranked number in values among all Lebanese, regional and multinational pharmaceutical laboratories. Pharmaline is also the trusted licensee of Multinational and regional companies such as : Abbott; Exeltis; GlaxoSmithKline; Merck ; Pierre Fabre; Sandoz; Sudair Pharmaceutical company ; Phadisco and Tripharma.

Our commitment to excellence extends to our market presence. We are dedicated to bringing our products to a wider audience. Our reach spans not only within Lebanon but also to potential markets in the Levant and Gulf regions.

This is made possible through the dedicated efforts of our professional team, and a robust organizational structure that ensures the effective marketing and distribution of our pharmaceutical products.

Our company's expansion strategy is multi-faceted, focusing on diverse axes including geographical expansion, portfolio diversification, forging strategic partnerships, and enhancing our range of services.
