Driving Sri Lanka's Industrial Growth on Untapped Market Opportunities

Sri Lanka showcases industries as, “Industry Expo 2025”, which will be held from 19th to 22nd June, 2025 at the Sirimavo Bandaranaike Memorial Exposition Centre, Colombo 07, Sri Lanka.

This Expo is organized by the Ministry of Industry & Entrepreneurship Development and the Industrial Development Board (IDB), aims to strengthen Sri Lanka's industrial sector by fostering market integration, technological advancement, collaboration, and sustainability. This platform could also pave the way for local & international partnerships and investment opportunities, contributing to Sri Lanka's economic growth. This is an excellent opportunity for businesses, entrepreneurs, and industry leaders to come together and showcase innovation, technology, and sustainable practices.

Why Visit?

Make Sri Lanka (Ceylon) your next investment pivot in South Asia. Sri Lanka is a wonderful island which has been dubbed as the “Pearl of the Indian Ocean”. “Ceylon” is renowned for its strategic location, which is geographically attractive to many global value chains. Even now, it continues to be the ideal trade hub in Southern Asia due to its strategic location and harbours. Industry Expo is a viable platform to meet the suppliers from Sri Lanka, and Expo is a good opportunity to find a wide variety of quality and price-competitive products under one roof.
